

Online Job Portal

MOVALIYA RAJAT (CE069)

MONAPARA JAYDEEP (CE067)

AKASH PADHIYAR (CE076)

BRIEF DEFINATION

- This system is designed to maximize the efficiency of connecting job seeker and job provider companies easily by providing online platform with authentication, which would otherwise be done manually
- Here, They can search complete depth information about each other and join
- It reduces physical cost of finding jobs and aspirants
- System will provide an automatized recommendation of jobs which will reduce the job seeker's task to find jobs.

Cont.

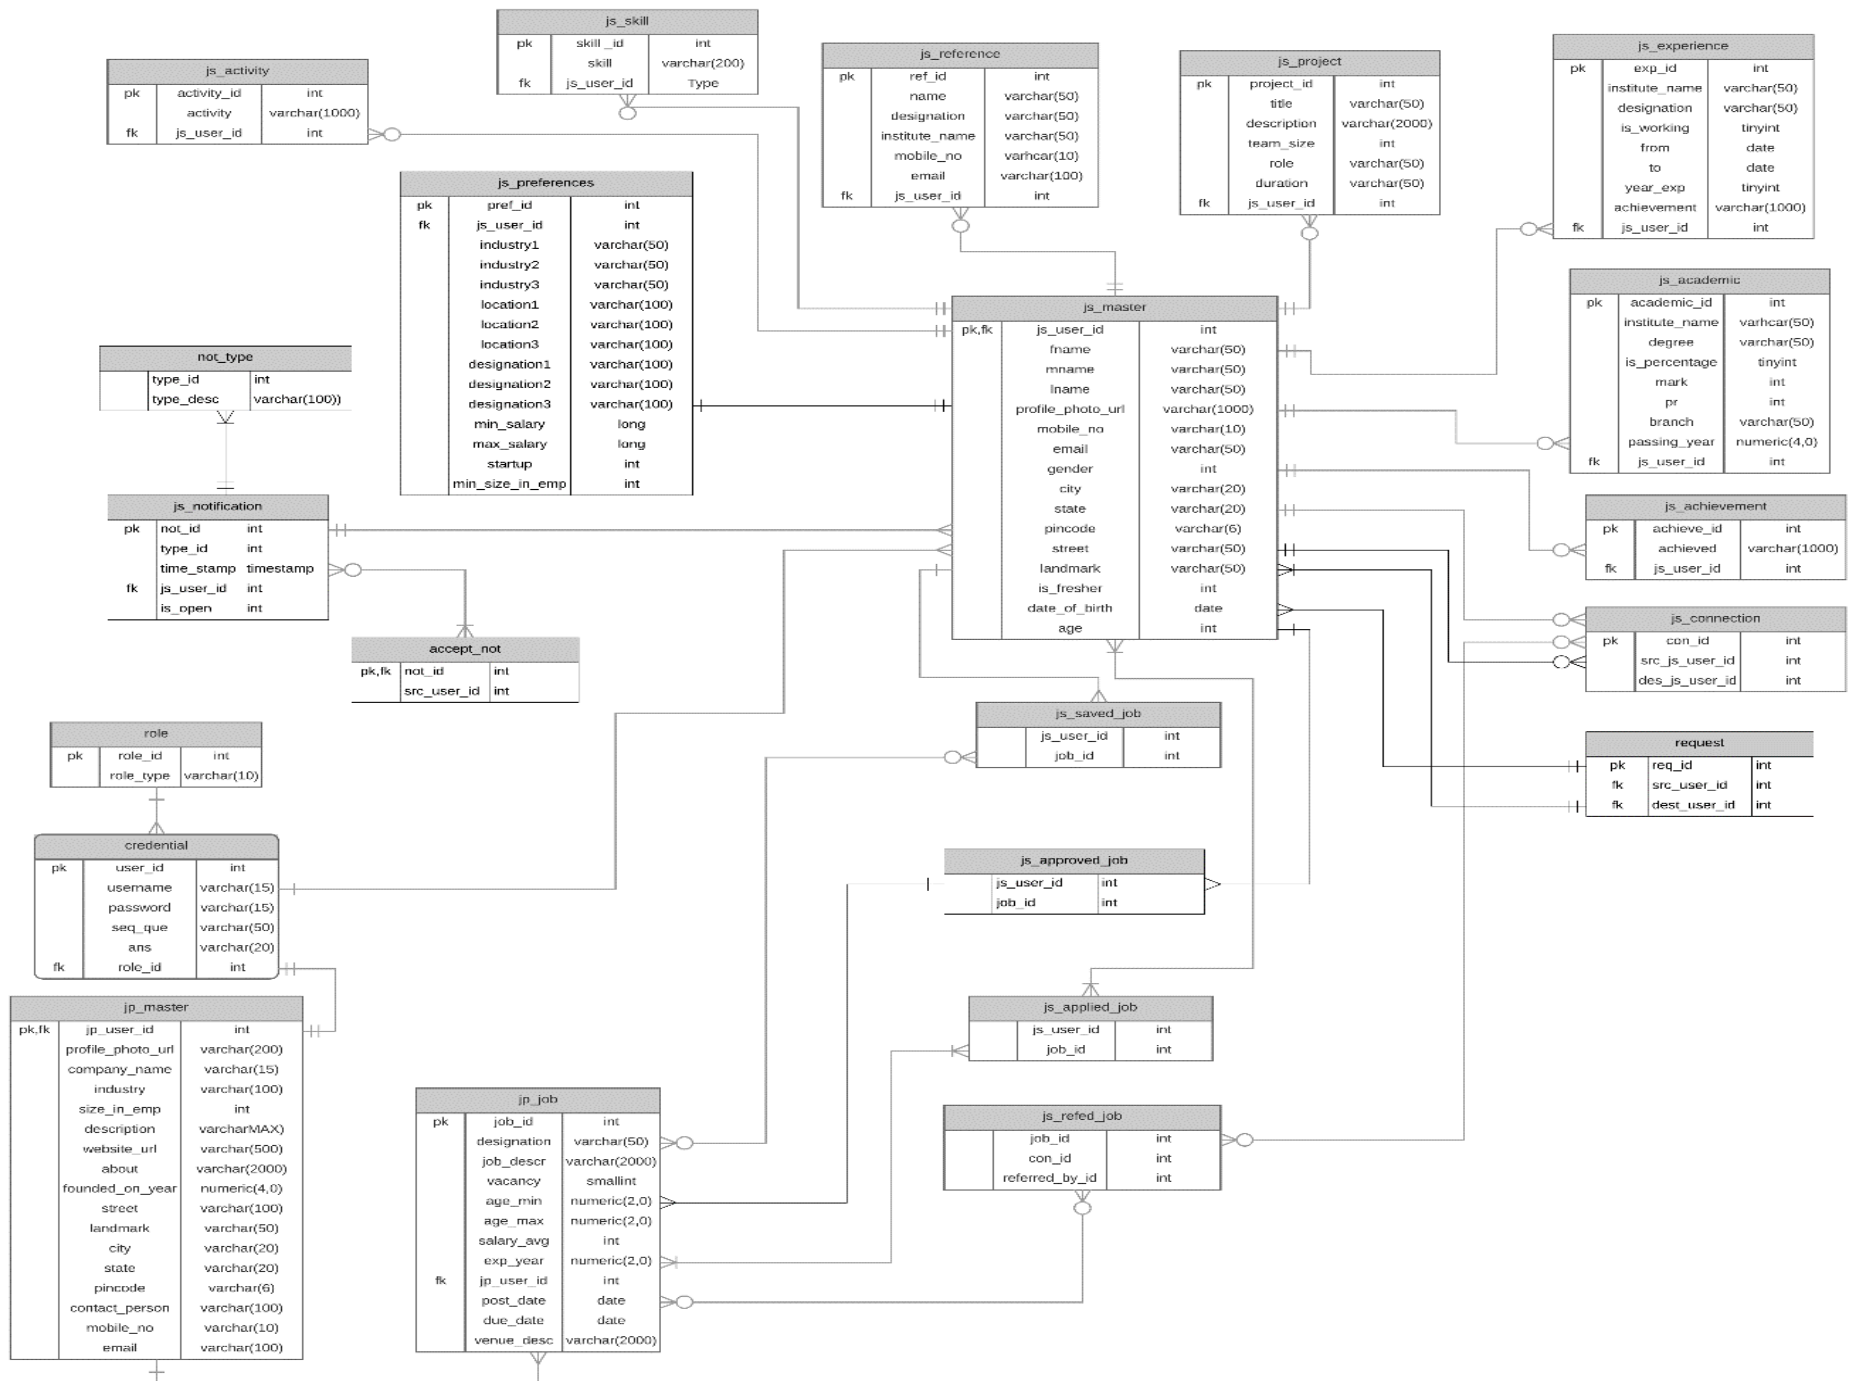

- ***Job Provider Can***

- ✓ Post a job
- ✓ Search other companies and job seeker by its name, location
- ✓ Can also search companies and jobs by designation of its posted jobs
- ✓ See aspirant's profile
- ✓ Select aspirants

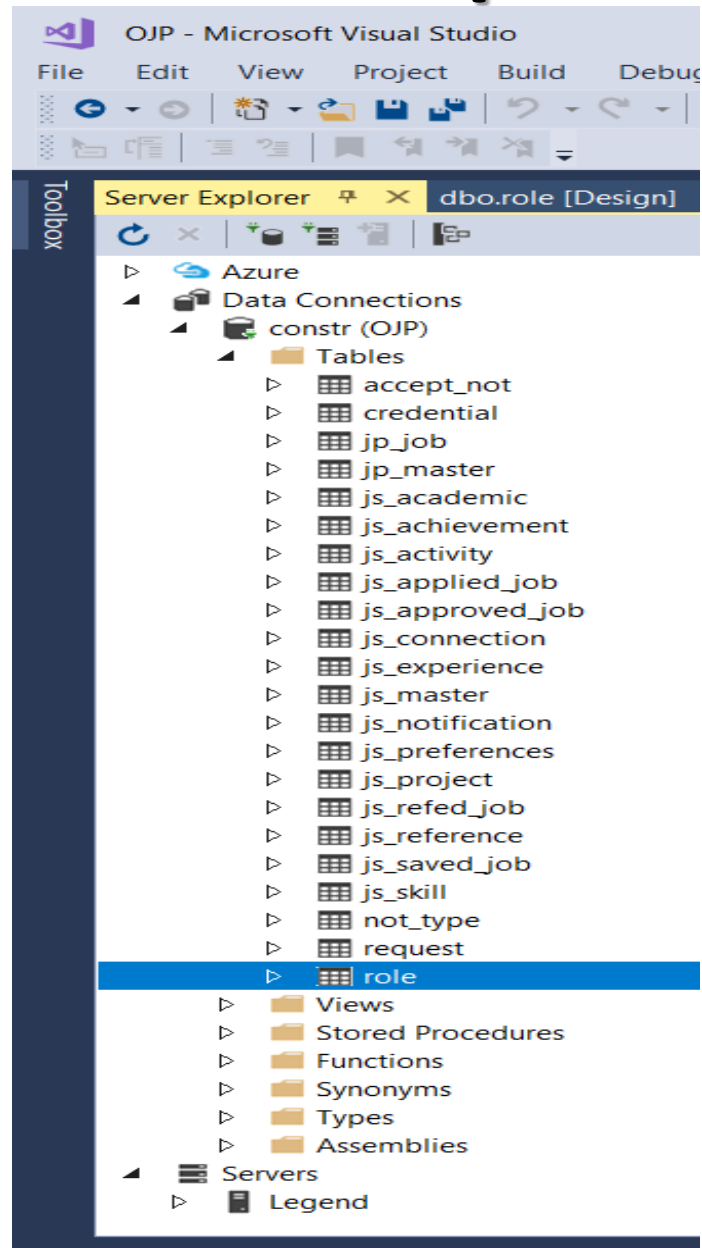

Cont.

- ***Job Seeker Can***
 - ✓ Search other companies and job seeker by its name, location
 - ✓ Can also search companies and jobs by designation of its posted jobs
 - ✓ Apply for a job
 - ✓ Save a job
 - ✓ Refer a job to its connections
 - ✓ Make connections
 - ✓ Send request
